You are being invited to take part in a research project. Before you decide to take part, it is important for you to understand why the research is being done and what it will involve. Please take time to read the information sheet carefully and discuss it with others if you wish.

If anything is unclear or if you would like more information, please do ask. My name is **Amy Urry** (Senior Digital Learning Coordinator) and my email address is **a.urry@csm.arts.ac.uk**. I am also happy to meet or Chat over Teams, or in person if that is easier.

- I understand that I am giving my consent to attend a focus group to talk about my thoughts on using the BA PID pages in Moodle and how information is managed and communicated.
- I understand that I am giving approval for my opinions to be included in the research outputs. Anything I say may be used in academic papers relating to the project. These quotations will be anonymous unless I ask for my name to be attributed.
- I have read the [information sheet](#) about the research project and have been given a copy of this information.
- The project details, including what the focus group will involve, and what will happen to my data, has been explained to me, and I have had the opportunity to ask questions.
- I understand that I have the right to withdraw from the research project at any time without disadvantage to myself and without having to give any reason.
- I understand that my participation in the project is confidential and my personal details will not be shared with my course tutors or classmates.
